PROGRAM ADVISORY

Dear participants,

Welcome to the **Pre-Pilot Workshop on Developing Contextualized Learning and Assessment Tools for SHS-TVET Embedded Curricula.**

This workshop aims to support the pilot implementation of the SHS TVET Embedment. Specifically, to design contextualized learning activities aligned with the updated SHS curriculum and the specific qualification assigned to each pilot school, develop pre-tests and post-tests for embedded TVET components to measure competency acquisition, and support academic teachers in integrating TVET within the SHS curriculum through practical tools and assessment strategies.

The workshop will be delivered through a blended learning modality, consisting of two phases: the first phase will be conducted **online**, while the second phase will take place **face-to-face** at the **National TVET Trainers Academy in Marikina City.**

Please be informed of the arrangements for the indicated program.

- A. The first phase of the program will be held online from **June 09 to 13, 2025**. The second phase of the program will be conducted face to face from **June 30 to July 04, 2025**.
