Concurrent Officer-In Charge, Office of the

SUBJECT : **REGIONAL STATUS OF QUICK COUNTS ENROLLMENT ON
THE LIS FOR SCHOOL YEAR 2025-2026**

DATE : **July 01, 2025**

1. This Office informs all concerned of the regional status of enrollment quick count in the Learners Information System (LIS) for School Year (SY) 2025-2026, based on data reported from the system as of July 01, 2025.
2. The Enrolment **Quick Count** is a facility in the LIS that enables the Department of Education (**DepEd**) to collect updated enrolment data from schools. The Quick Count data, which includes enrollment numbers from Kinder to Senior High School, is being collected through the Learner Information System (LIS). This data is crucial for various purposes, including planning and ensuring adequate resources are available.

The quick count helps DepEd identify potential challenges in enrollment, such as low participation or issues with access, allowing for timely intervention.

3. Attached is the report on the status of submission per SDO, as downloaded from the LIS.
5. Immediate dissemination of this memorandum is desired.
